

Run Richmond Riverside 10k

Start / Finish

2nd Turning point (Richmond)

1st Turning point

From the start/finish which is at the riverside carpark at the end of Ham Street the run will head along the river towards Kingston before turning to come back past the start/finish location and head down the river towards Richmond.

You will then turn here and head back along the river to the finish. It's flat with gorgeous riverside views for the majority of the run!!

Head along river towards Kingston and 1st Turning point before heading back along the river to the 2nd turning point.
